

The eGWSRVG combines 120GB of easy-to-use Network Attached Storage (NAS) with an 802.11g Access Point. It is a great way to enjoy multimedia on your network and add storage space without buying another computer. It conveniently provides a built-in DHCP server that can automatically assign IP addresses, and it also includes a remote backup/restore feature allowing for scheduled backups to protect your data from being lost. The eGWSRVG allows you to share your data and connect users to a wireless LAN all with one simple solution.

- **Add wireless and 120GB of network storage**
- **Store and share music, video or other data files**
- **Connect to an existing wireless network or create a new one**
- **Keep important data backed up**

Product Features

- Wireless 802.11g Access Point
- 64/128 bit WEP data encryption
- Includes DHCP server
- File Sharing for Windows/Linux/Macintosh users
- Share music, video, or data files, with managed access by user name
- Built-in disk utilities - scandisk, defrag, backup
- Allows remote users to easily retrieve files using a web browser
- Managed through a web browser
- Easy set up with universal plug and play
- Bundled software allows PC clients to remote boot off the Wireless-G Server in case of hard drive failure (works with most systems)
- Provided utility allows automatic hourly, daily, or weekly scheduled backup
- Differential backup to minimize the impact on system loading and network traffic
- Set Backup filter by directory or file extension
- Save multiple versions of your data so you can quickly go back to an earlier version

Specifications

Standards

IEEE 802.3, IEEE 802.3u, IEEE 802.11g,
IEEE 802.11b, IEEE 802.1x

RFC 768 UDP, RFC 783 TFTP, RFC 791 IP,
RFC 792 ICMP, RFC 792, ICMP,
RFC 793 TCP, RFC 826 ARP, RFC 2068
HTTP, RFC 2131 DHCP, RFC 2179 CIFS,

SMB (Server Message Block)
UPnP (Universal Plug & Play)

Operating System

Linux 2.4.20

File System

EXT3

Network Protocol

CIFS/SMB

File Sharing

Managed access by user name
(predefined 5 users)

Access Control

Read only / Full access / According to different password

Built in Disk Utility

Scandisk, defrag

LED

Power, Diag, HDD Busy, LAN, WLAN, HDD Full

Dimensions (W x D x H)

188 x 188 x 60 mm (7.4 x 7.4 x 2.36 inch)

Weight (Net /Gross)

1.5kg (53oz)

Power

DC12V, 3A EMI/EMC Certification FCC A, CE

Temperature

Operating: 0°C to 40°C (32°F to 104°F)
Storage: -40°C to 70°C (-40°F to 158°F)

Humidity

Operating: 20% to 85%, relative humidity, non-condensing
Storage: 20% to 90%, relative humidity, non-condensing
